WHY COME TO FUDCON?

Fedora is a popular distribution of the Linux operating system. FUDCon is the Fedora Users and Developers Conference. FUDCon is a combination of sessions, talks, workshops, and hackfests in which Fedora community contributors work on specific initiatives. Come and learn more about how this popular Linux distro is made!

- ▶ BARCAMP Sat Dec 5, 9:30 AM - 6 PM, SEQ Building
- ▶ FUDPUB Sat Dec 5, 7 PM - 11 PM, Dave & Buster's
